

Athletic Trainer Spotlight Nomination Form

TSATA wants to highlight the everyday Athletic Trainers for their behind-the-scenes work that the public doesn't see. The nine TSATA Regional Directors may officially submit one Athletic Trainer, from their region, for the Athletic Trainer Spotlight recognition. This individual will receive recognition via social media (Facebook, Twitter, Instagram and/or website) and a certificate to proudly display.

Process: Regional Directors will email blast out, to their regional members, the Athletic Trainer Spotlight flyer and this Nomination Form along with a time frame (about a week) requesting nominees. After evaluating the list of nominees, each Regional Director will submit their one Athletic Trainer Spotlight nominee to the Regional Chair and Public Relations Officer to compile and announce.
