

Graduate Assistant and Senior Students Sports Medicine Instructor's Course Registration

The Texas State Athletic Trainers' Association is proud to sponsor the Sports Medicine Courses. These courses have been approved by the Texas Education Agency. The Sports Medicine Instructors' Courses have been approved for one state-elective credit each. Each course was approved for a one or two semester class, at the discretion of the school district.

Why:

The TSATA is required to provide an Instructor's Course as a requirement for sponsoring an Innovative Course by the Texas Education Agency.

Where:

The TSATA Instructor's Course will take place at a site listed on tsata.com. The course will be conducted from 8:30 AM to 4:00 PM.

Cost:

For graduating college seniors the cost for the Sports Medicine Instructor's Courses will be \$400.00 for the course syllabus/instructors manuals. This cost is paid in two installments. The first installment of \$200 is paid at the time of registration; the second installment of \$200 is paid upon graduation and receipt of the applicants Texas Athletic Trainer's License issued by the Texas Advisory Board of Athletic Trainers. Certification of completion of the Sports Medicine Instructors Program is withheld until the applicant graduates, is issued the LAT credential, and has paid the remaining \$200. Once the applicant takes the SM Instructors Course no refund of the initial \$200 will be given, even if the applicant does not fulfill the requirements to obtain their LAT credential.

Instructor's Credential:

All instructor candidates must hold a valid Texas Athletic Trainer's License issued by the Texas Advisory Board of Athletic Trainers, a division of the Texas Department of Licensing and Regulation to receive a certificate of completion for the Instructors status.

Information:

Any questions regarding enrolling in the Instructor's Course you may contact:
